Forging Bonds of Steel

"With extraordinary clarity, pragmatism, insight, and emotional intelligence, Rodger Friedman masterfully provides a highly useful set of tools and common-sense advice to optimize the all-important relationship with your financial advisor. We've needed a book like this for a long time!"

DAVID M. DARST, CFA

Former Chief Investment Strategist, Morgan Stanley Wealth Management

"An advisor must put himself at risk with honesty to the client to be effective. Rodger hits the nail on the head about the sacred nature of a client-advisor relationship."

Richard Watts

Attorney and Author

Fables of Fortune: What Rich People Have that You Don't Want and Entitlementia: How Not to Spoil Your Kids, and What to Do if You Have

Fire Your Retirement Planner: You!

"Rodger provides readers with easy-to-understand, real life illustrations and actionable ideas to assist with creating a more secure retirement. His book is filled with common sense approaches to increase financial assets intended for income during retirement."

Scott A. Curtis

President

Raymond James Financial Services

Brilliance is not taking a complex issue like retirement and so overwhelming the reader with charts and financial esoteric examples that they may feel so overwhelmed and confused that they are immobilized. Brilliance is what Friedman has done in this book. Through the eyes of one who cares more than the bottom line for his clients, Friedman speaks not only from the years of help his clients achieve their retirement objectives, but is able to share the path with clarity and unbelievable simplicity.

Fire your Retirement Planner: You! Is concrete and is so readable that it is compelling and easy to apply. It is not hyperbole to state that those who read this retirement gem could not only retire well, but also could create an ongoing legacy for those they love. I will recommend his work to everyone I know.

Salvatore J. Tagliareni

Author of *Hitler's Priest, The Cross or the Swastika* and *Roving Leadership: Breaking through the Barriers* 2016

The Mindset of Retirement Success

"The Mindset of Retirement Success addresses an issue that so many of us put on the back burner, never to address until it's too late. Rodger does a fabulous job pointing out that we, ultimately, are the ones who have to push ourselves to plan for our future or we only have ourselves to blame. 54321...call your financial advisor today!"

Mel Robbins, International Best Selling Author of *The 5 Second Rule*, contributing editor to *SUCCESS* magazine, CNN commentator

"This practical book gives you a step by step process to help achieve financial independence and organize your life so you can enjoy your dream retirement."
